1st Annual Matthew Axelson Foundation Golf Tournament Sunday, August 9, 2020

For the past 14 years we have held the Cupertino Veterans Memorial Golf Tournament at the Palo Alto Hills Golf and Country Club. For a number of reasons we will no longer be holding that tournament.

- 1) This year the golf course will be undergoing some construction so our August date is not available.
- 2) 7 years ago my family moved to Genoa, NV (30 minutes from South Lake Tahoe – just over the Sierra Nevada Mountains) and it has been difficult to manage a golf tournament from this distance.

Beginning this year we will be holding the Matthew Axelson Foundation Golf Tournament here in Genoa, NV. This tournament will be under the umbrella of the Cupertino Veterans Memorial. We will still be sponsoring military golfers and donating proceeds from the tournament to the same organizations as in the past.

- **SEAL Family Foundation** (<https://sealfamilyfoundation.org>) provides support for individual and family readiness through an array of programs specifically targeted to assist the Naval Special Warfare community in maintaining a resilient, sustainable, and healthy force in this era of persistent conflict and frequent deployments.
- **Special Operations Warrior Foundation** (www.specialops.org) provides a post-secondary education to the surviving children of fallen special operations service members. Special Operations Warrior Foundation supports America's Army, Navy, Air Force, and Marine Corps Special Operations personnel.
- **De Anza Veterans Program** (www.deanza.edu/veterans/) is dedicated to providing student-veterans and their dependents with services that support the attainment of their academic and career goals.

You can sign up several ways.
