

# Matthew Axelson Foundation Golf Tournament

## Sunday, June 26, 2022

### Genoa Lakes Golf Course

Who is Matthew Axelson? Matthew "Axe" Axelson was a United States Navy SEAL who was killed in the War in Afghanistan. He was posthumously awarded the Navy Cross, the highest award the Navy can give, for his actions during Operation Red Wings, in which he was killed. His story and that of his teammates is told in the book and movie *Lone Survivor*.

This tournament is a wonderful way to interact with our military players (active duty & retired) and show them how much we appreciate their service. A Special Forces operator will play with your foursome when you sponsor a military golfer. The money we raise each year goes to various military organizations.

- **SEAL Family Foundation** (<https://sealfamilyfoundation.org>) provides support for individual and family readiness through an array of programs specifically targeted to assist the Naval Special Warfare community in maintaining a resilient, sustainable, and healthy force in this era of persistent conflict and frequent deployments.
- **Special Operations Warrior Foundation** ([www.specialops.org](http://www.specialops.org)) provides a post-secondary education to the surviving children of fallen special operations service members. Special Operations Warrior Foundation supports America's Army, Navy, Air Force, and Marine Corps Special Operations personnel.
- **De Anza Veterans Program** ([www.deanza.edu/veterans/](http://www.deanza.edu/veterans/)) is dedicated to providing student-veterans and their dependents with services that support the attainment of their academic and career goals.

If you are a golfer, please plan to join us. If you are not a golfer, consider sponsoring a military player and/or joining us for dinner. We also need volunteers during the day and evening. Call Donna Axelson to volunteer.

Please, forward this flyer to any golfers you know who might be interested.
